

“Quality is not an act, it is a habit.”

– Aristotle

Finely Crafted in Greece

At Infinity Pilates, our commitment to excellence is evident in every aspect of our products. Utilizing state-of-the-art techniques and electronic cutting machines, we meticulously manufacture each item to the highest standards. With extensive experience in the Pilates industry and manufacturing field, we take pride in offering products of unparalleled quality and aesthetics.

Our dedication to continuous improvement is unwavering. Every product undergoes rigorous testing to guarantee its performance, durability, and reliability. Exclusively crafted in Greece by skilled professionals, we use only the finest materials to ensure longevity and impeccable operation over time. Our fusion of cutting-edge technology and traditional methods remains faithful to Joseph Pilates' philosophy, creating products that stand the test of time.

comfortably accommodate all body
types during any exercise

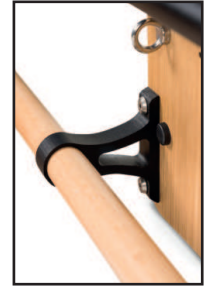

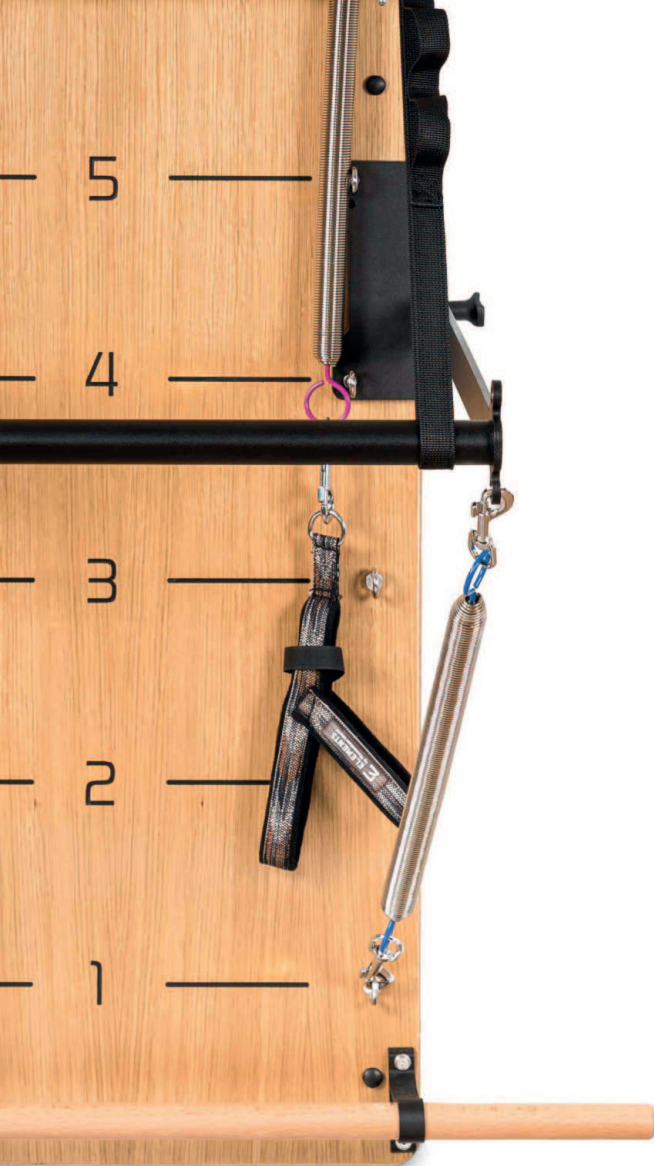

Wunda Chair

Featuring a dual pedal design, allowing for a broader range of balance and training exercises

- Multi-position fishbone spring system
- 4 Pilates springs: 2 black, 2 green (varying resistance)
- Frame made of marine-grade plywood with oak veneer
- High-durability, antibacterial leather

SpringWall System

The Springwall System in Pilates is the most ergonomic solution, offering space-saving flexibility and multiple options for both small professional and home spaces

Ladder Barrel & Unity

It offers a plethora of flexibility and strengthening exercises, making it an ideal addition to any space. With a dual standing pad, it provides greater comfort during exercises performed between the Barrel and the Ladder

With smooth and silent gliding in every direction, it aids in core strengthening and is ideal for stretching exercises. An affordable solution that should be a staple in every Pilates training space
